Professional Experience

Tim Hortons, Kitchener, ON

Customer Service Representative (May 2022 – Present)

- Provided exceptional customer service by greeting customers, taking orders, and handling transactions.
 - Prepared food and beverages according to company standards, ensuring quality and presentation.
 - Collaborated with team members to maintain efficient operations during peak hours.
 - Adhered to cleanliness and hygiene standards, ensuring a safe environment for customers and staff.
-

Projects

RentGuide (January 2023 – April 2023)

[GitHub Repo](#) | Demo Link: <https://ayushv75.github.io/RentGuide/>

- Developed an innovative online platform for simplifying the rental property search process for Canadian renters.
- Designed and implemented features like a landlord dashboard for property management, tenant interactions, and communication.
- Created a user-friendly tenant page, login system, and contact page, enhancing UX.
- Integrated features like rental calculators and moving guides to support renters' decision-making process.

To-Do List (April 2023 – May 2023)

[GitHub Repo](#) | Demo Link: <https://ayushv75.github.io/To-Do-List/>

- Built a simple and intuitive web application for task management, featuring a user-friendly interface.
 - Allowed users to add, mark as complete, and delete tasks.
 - Hosted the project on GitHub Pages, ensuring easy accessibility across platforms.
-
